## II. Indian Culture Class

- The Indian Culture class is the most important distinctive feature of this College. Every week, on Thursday at 12.30PM, this class is engaged by one of the teachers of the college. He speaks on some aspect of the glorious Indian Culture. The purpose of the class is twofold. In the first place, it brings home to our students and teachers alike the significance of the Indian culture, particularly in the present context when the western culture has become so much attractive to the present generation of young men and women. In the second place, it widens the horizon of knowledge of our students and teachers. With these two purposes in view, the Indian Culture class is engaged every week unfailingly.
- To exert a sobering influence on the young minds of our students, the Geeta Gyan Jagnya is celebrated every year. Under the auspices of Geeta Gyan Jagnya, a series of lectures on the Bhagabat Geeta are delivered by eminent Geeta Scholars invited from outside the college for the benefit of our students and teachers. No doubt, it has achieved its purpose to a very great extent.
- Swami Pragyanandaji and Baba Balia, famous preachers on Hinduism, have visited the college & spoke on occasions.
